

HD Cleaner

Powerful heavy duty floor cleaner with a safe, natural formula

“maintenance made easy”

DIRECTIONS FOR USE

DILUTION

For general floor cleaning a dilution of 1 part HD Cleaner to 10 parts water is normal. As a spray-on wipe-off hard surface cleaner, dilute 1:50. For extreme economy, dilutions of up to 1:100 may be used. Use neat on stubborn deposits.

APPLICATION

Make up to the dilution required and apply using a mop, cloth, sponge or spray as appropriate to the surface area. On floors or heavy soiled areas, leave the solution for 2 minutes to penetrate and dissolve the dirt, then scrub any persistent deposits, rubber marks etc. before rinsing with clean water. Leave to air dry.

HEALTH & SAFETY

Before using this product, please ensure you have received and read carefully both the Hazard Label applied to the container and the relevant Material Safety Data Sheets.

PRODUCT DESCRIPTION

HD Cleaner is a concentrated and fast acting formulation based on naturally derived citrus solvent blended with specialised surfactants. HD Cleaner is very economical in use, being dilutable in ratios up to 1:100 with water, yet may be safely used undiluted on virtually all surfaces for very stubborn deposits. It effectively removes the source of bad odours leaving a fresh and pleasant citrus fragrance.

TYPICAL USES

HD Cleaner will remove dirt, grime, diesel oil, food oil, fats, grease, engineering oil, tobacco film and rubber marks from all types of hard floor and virtually any other hard surfaces and even fabrics. It is widely used for regular cleaning routines on floors, walls, plant equipment and machinery, vehicle valeting, boats including fishing vessels and many other food industry, engineering, warehousing, commercial, hospital and school applications.

SUITABLE SUBSTRATES

HD Cleaner may be used on all washable materials including concrete, terrazzo, ceramic tiles, floor paint and epoxy coatings, non-slip floor surfaces, showers and sanitaryware, glass, laminates, plastics, rubber and fabrics.

COLOUR

HD Cleaner is a transparent amber liquid.

PACKAGING

HD Cleaner is supplied in 5 Litre and 25 Litre units.

SHELF LIFE & STORAGE

HD Cleaner has a shelf life of 6 months if stored in unopened containers at temperatures between +5°C and +35°C.
